

Guidelines on Application for NUC Scholarship for International Students (2022)

(English Translation)

In accordance with *the Detailed Rules for NUC Scholarship for International Students (Revision)*, the *Guidelines on Application for NUC Scholarship for International Students (2022)* is made as follows.

I. Category

1. Full Scholarship

Doctoral and Master candidates can apply for full scholarship, which covers registration fee, tuition fee and hostel fee, in addition to a stipend of 20,000RMB per academic year for doctoral candidate and 15,000RMB per academic year for Master candidate. The stipend is to be handed out to the candidates after they arrive in China and register at School of International Education NUC.

Scholarship for foundation study program covers registration fee, tuition fee and hostel fee.

2. Partial Scholarship

Undergraduate candidates can apply for partial scholarship, which waives part of tuition fee and hostel fee. The rate after waiver is 7,000RMB per academic year (4,000RMB in the case of online study outside China due to COVID-19).

II. Application

Applicants are required to submit the *Application for NUC Scholarship for International Students (2022)* while applying for study at NUC.
